

## Campus

Campus life at Abhyaas International is designed to have significant impact on the mental and physical growth of students. Aesthetic sense is just as important as intellectual and academic stimuli; keeping which in mind Abhyaas has designed a campus and life within it to achieve globally benchmarked results

### ▶ Health and sanitation

Safety is primary and paramount

### ▶ Swimming pool

With swimming and basic aquatic sports training

### ▶ Smart class

Equipped with digital learning technology for the best access

### ▶ Activity halls

Where creativity can fly free and take form

### ▶ Athletics and sports facility

Training the champions young

### ▶ Montessori trained faculty

For individual attention to each child

### ▶ Creative corridors

Stimulating imagination and intellect every way

### ▶ Cultural training

Keeping the little ones grounded in our roots

### ▶ Counselling

Ensuring mental and emotional balance early on

## Our Curriculum

Academic excellence is always a personality stimulator. Our curriculum based on CBSE Board syllabus incorporates international standards of teaching and learning customized to appeal to all age groups of children. The curriculum is also transparent for parents and guardians to review if preferred.

## School facilities

Abhyaas has well established state of art language lab, innovation labs, mathematics lab, swimming pool, sports facility, industry and governmental affiliations, expert faculty and intellectually stimulating classrooms to ensure holistic growth of every student. We cater to the constantly altering educational demands of the world and have designed a curriculum that fosters multiple dimensions of physical and mental development. Our students will be digitally, technologically, creatively, academically and morally equipped to not just be a part of the modern world but before bringers of positive changes.

## INTERNATIONAL SCHOOL

(A unit of AKSHARA foundation)

Belluru, Nagamangala Taluku

Mandya - 571 418

We Educate Today  
with Future in Mind

## About Us

Abhyaas International School at Bellur, a Unit of Akshara Foundation, is a generation education system established on the foundation of the National Education Policy-2020. We have adopted the most recent trends and innovations in teaching and learning such that our students receive the most efficient form of education to not just excel in academics, but in skill development and morale as well.

The system designed based on NEP has innovative teaching methods focussing on individuals with frequent feedback and evaluation. We impart 21st century skills through modern and facilitative infrastructure meeting international standards of education. Customized approaches such as Montessori type of education at kindergarten levels set us apart from our contemporaries. Our aim is to make every student achieve his or her highest potential in terms of academics, skills and virtue.

## Vision

To create a competent and compassionate student base oriented in values and capable of catalysing notable progress in every field of educational interest.

## Mission

To provide a facilitative environment for students to develop their academic, comprehensive, cultural and personal values through careful guidance incorporating novelty leading to self discovery.

## Our Logo

Our logo represents illumination of the mind rooted in the right kind of intellectual stimulation. Also, Abhyaas is a colourful world with endless opportunities to explore!

## Our Mascot

The official Abhyaas mascot, the busy bee, is our friendly little companion that our students are going to love spending time with. She's smart, hard working and extremely efficient – she knows just how to balance work and play!

# What makes us Special?

101 innovative best practices have been designed by a team of academic experts for Abhyaas International School to ensure the best possible opportunities and training for students' development. These best practices involve all facets of education such as sports, music, cultural activities, intellectual stimulation, health, self defence, scientific inquiry and literature.

Students can choose one or many of the best practices to be a part of and obtain expertise in their area of interest at an early stage. Abhyaas takes complete responsibility of providing apt and standard platforms for the students to display and develop their talents garnered through our 101 best practices.
